Princess Athletic Triathlon Wetsuit Rental Policies

Rental cost: \$60 per 24 hours

Please ensure that the suit is returned CLEAN and DRY. A wetsuit sent back wet and dirty ends up smelling really bad by the time it gets back here! Failure to return the suit clean and dry will result in a CLEANING FEE of \$25.

If the wetsuit is not returned in time, there will be an EXTRA DAY FEE of \$15 applied, and for every day thereafter until retail value of the suit is reached.

Rental suit may be used only for swimming purposes, as the material used for triathlon suits is too delicate for surfing, SCUBA, etc.

You must cancel one week in advance to have your deposit refunded. No exceptions!
